CUSTOM ENGRAVING

Freezer Storage

Make identification part of your storage system.

IDENTIFY WITH CONFIDENCE

Add custom identification directly to your freezer storage equipment.

ALUMINUM STORAGE BOXES

Engraving is available on aluminum boxes used with freezer racks.

FREEZER RACKS

Engraving can also be applied directly to freezer racks.

Engraved storage box example

Identification that fits your workflow

Organize your cold storage with markings that support your existing inventory system.

BOX IDENTIFICATION

Add identifying information to aluminum freezer storage boxes.

RACK IDENTIFICATION

Identify freezer racks directly as part of your storage layout.

Planning your engraving?

Share your box or rack model, the quantity needed, and the identification you would like engraved. Our team can help discuss your requirements.

Contact LabRepCo to confirm engraving options for your storage equipment.
