

SECURITY SHELVING
with electronic PIN locking option

Easy to access. Hard to steal.

Keep valuable items safe at your fingertips...no keys required.

Metro security shelving units with PIN lock system protect valuable, sensitive items from wandering off. Contents are easily viewable but yet... safe. Heavy gauge wire keeps contents secure but highly visible for inventory management. The PIN locking system allows you to store up to 20 codes for access tracking or employee turnover measures. Plus, the added convenience of not needing to track and locate misplaced keys.

Additional Benefits:

Durable: Chrome plated, stainless and rust resistant finishes offer durability choices to fit your application.

Flexible: Available models offer optional middle wire shelves for more storage. Metroseal Green and MetroMax Q models can accommodate intermediate shelves with durable, removable polymer shelf mats.

Easy Cleaning: Mobile units allow thorough cleaning of floors & walls while optional intermediate removable mat shelves offer the easiest cleanability.

Microban® Antimicrobial Product Protection: Metroseal Green and MetroMax Q models feature Microban Antimicrobial Product Protection, designed to stay "cleaner between cleanings."

Safe Transportation: Mobile, security trucks provide the advantage of quick, protective transportation.
