

# LAB ANIMAL ANESTHESIA BENCH – ELITE

*The leader in anesthesia equipment and supplies.*

## An all-inclusive mobile work system.

Take your lab anywhere with the Lab Animal Anesthesia Bench (LAAB) – Elite. The Link7 is teamed up with a portable oxygen source, a magnetic workspace and a shelf for anesthesia accessory storage. Whether your anesthesia system is used by multiple departments or simply needs to be moved from room to room, this system will meet your needs.
