SARTURIUS

Special Entris® II Offer

Best Value in its Class for Basic Weighing Tasks

Every Sartorius balance offers quality, value, and consistency

No matter what you're weighing, the new Entris® II balance is always the right choice. Offering unrivalled value and backed by almost 150 years of German engineering expertise, the Entris® II comes in two product lines, so you can find the balance that meets your specific weighing needs.

Our Entris® II Essential line is the only balance in its class offering isoCAL, LED touch technology, and 12 built-in applications at a budget price. With over 40 models from which to choose, you will surely find a model to meet your basic weighing needs.

Get a Midi Plus™ Controller at no additional cost!

Special Midi Plus™ Controller Offer

Buy select models of Entris® II BCE and get a Midi Plus™ Controller at no cost.

Midi Plus™ is a lightweight, cordless pipetting controller with excellent ergonomics, enabling you to aspirate from bottles and tubes without holding your arm and hand in an uncomfortable raised position.

- Precise finger tip control of variable speed ranges
- Fits all commonly used 1 100 ml glass or plastic pipettes
- Hydrophobic autoclavable filter prevents from overaspiration
- Low battery warning

Featured & Benefits

Easy clean for operational efficiency and durability

- High chemical resistance
 - ensured using parts made from hard-wearing polybutylene terephthalate (PBT), stainless steel and glass
- Prevents cross contamination
 - with wipe clean design and easy-to-remove parts

Effective draft shield

 Minimizes weighing errors caused by electrostatically charged samples using specially coated glass parts

isoCAL (internal calibration and adjustment) for total assurance of accurate weighing results

- Optimal accuracy and operating convenience
- using fully automated internal temperature and time-controlled calibration and adjustment feature, unique in this weighing class
- Assures (SOP) compliant operation
 - with self-notification if calibration is outside the normal range
