

UNBEATABLE OFFER

GET A FREE ERGONOMIC FOOTREST WITH EVERY BIOSAFETY CABINET!

\$440 Value

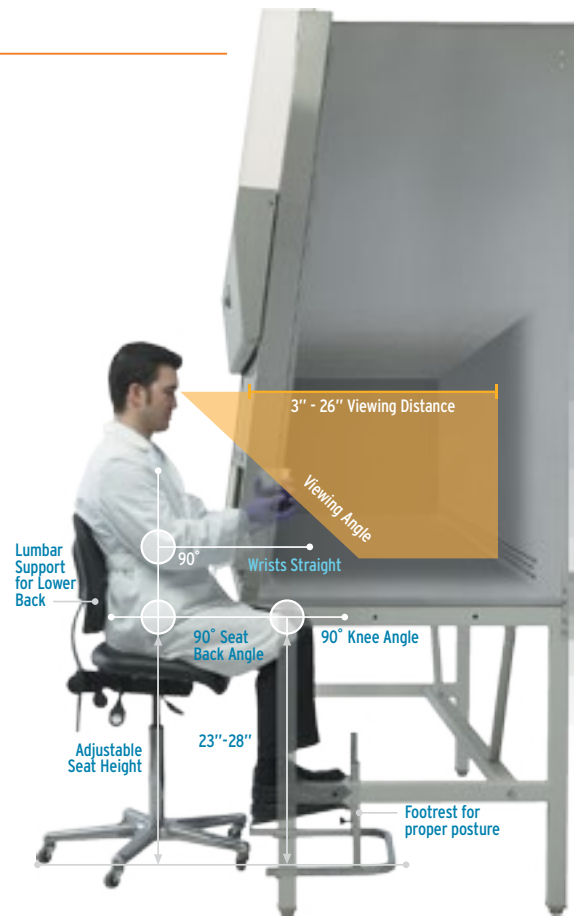

Elevate your lab's comfort with NuAire's ergonomically tailored biosafety cabinets, meticulously designed to reduce repetitive stress injuries. NuAire BSCs feature a recessed work tray and a reduced reach into the work zone, alleviating strain on your arms, shoulders, and neck, all while maintaining the highest safety standards. Take advantage of our exclusive promotion: get a Biofit Ergonomic Footrest free with your BSC purchase—ideal for improving posture and leg support through long lab shifts. Note that the offer is limited to five cabinets per order, valid in the United States and Canada, and quotes must be finalized by December 31, 2023. Act quickly—this offer stands while supplies last, ensuring your comfort with ergonomic precision.

Biofit

Ergonomic Footrest

SV-973-700

Maximize your comfort with an Adjustable Ergonomic Footrest. It is perfect for long hours at the lab and offers sturdy, customizable support with a non-skid surface for all-day ease. Its durable construction and adjustable height promise a seamless fit for any workstation. Enhance your posture and comfort to reduce work place injuries.
